

The 1st International
Conference on
**Green Revolution for
Self-Sufficient
Afghanistan**

Guidelines for writing an abstract for the conference

Abstracts are accepted for presentation at the conference until 06 November 2023.

The research for presentation shall include original and unpublished results of conceptual, empirical, experimental, or theoretical work in all thematic areas. The abstracts are accepted in English, Pashto, and Dari languages. The abstract shall fulfill the below requirements.

Abstract

The length of the abstract should not exceed 250 words. The following contents are highly recommended to be followed while drafting the abstract:

1. Introduction of the subject
2. Importance of the research
3. The study problem
4. Research objectives
5. Research methodology including tools, techniques, and software used
6. Key findings, conclusion, and recommendations
7. Research novelty and contribution

Avoid background information, citations, elliptical writing, tables, figures, etc.
